Subject: Teleworking

Hi all I'm teleworking this week. I have committed to completing the gas well integrity white paper for Pavillion so decided to sequester (seems to be the word of choice) myself and knock this thing out this week.

I can be reached at

(b)(6) privacy [phone #]

Or you can leave a message on my work phone and I'll call back.

Judy, I'll call in on the Shilke call today if you think that you need me for that.

Move on.
